Dear Sister Edith:-

Inclosed you will find a letter I
received a few days ago which
I answered & gave her your address
& also Katies.
How are you all anyhow? why
don't you write once in a while.
we are all well & like our new
home very much. Children
are handy to School & not very
far to go to Sunday School.
yesterday we had our first snow
& real winter day about 2 in.
of snow & 32 above this morning.
we have had a good hot Summer
& a fine Fall, so I guess we haven't
any fault to find with the climate.
Ave & John live on the next St.
to us & like it very much. They &
Baby are all well. And Sue
made them & us a visit last

Worth & has gone to Anarbor Mich.
to join Stella & are going to keep
roomers there.
Do you ever hear from Katie &
Jack. Uncle John Hartzell died
on 3rd. paralisis of bowels.
Mother L. & girls live up stairs
in our house & like it very
much Emily is teaching
School. & Mary is still at Tally Bros.
I think next Summer I will sell
our new house & build again as
this new property is in such good
demand it is a good time to sell
& make a little. it seems as though
houses cant be built fast enough
as they are bought right up. I
only wish I had a few thousand
for I could soon double it.
well I dont know of any news
to tell you so will say good by.
write soon love from all. Your
Bro. Archie
